

As part of the 2011 New Farmer's Gathering, **Nerida Heritage Farmstead** is pleased to offer pre and post gathering farm tours. The farm is located only 5 Km down the road from the Lorax Woodland on the Gaspereau Mountain where Karin Nerida Robertson will greet you and share her experiences on the farm. She raises and produces Canadian and Heritage livestock: chickens, eggs, ducks, guinea fowl, meat goats, sheep, llamas, and miniture donkeys. June is lambing and kidding time at the farm so there are many new lambs, kids, along with chicks and ducklings. All welcome. There will be a van (limited seating) leaving The Lorax Woodland for the farm tour.

Please register (name and phone number) for the tour by emailing Karin at [karinrobertson@hotmail.com](mailto:karinrobertson@hotmail.com) . Please indicate if you will be providing your own transportation or wish to take the van. Please type *New Farmers Gathering Farm Tour* in the Subject line of your registration email.
